Welcome to 820 W Compton Blvd #24. Tucked inside a gated community, this 3-bedroom, 3-bathroom condominium offers 1,349 square feet of thoughtfully updated living space with the feel and function of a single-family home. Soaring vaulted ceilings and an open-concept layout create an immediate sense of space, with light oak flooring flowing through the living, dining, and kitchen areas. The kitchen has been updated with white shaker cabinetry, speckled quartz countertops, a stainless steel appliance suite, and a peninsula that opens to the main living area. A dedicated dining space sits just off the kitchen, bright and well-proportioned. All three bathrooms have been refreshed, and fresh interior paint ties the whole home together. The attached two-car garage adds everyday convenience that is hard to find at this price point. Community amenities include a park and basketball court. HOA dues of \$338 per month cover exterior maintenance and common area upkeep. With easy access to the 91 and 710 freeways and shopping and dining nearby, this home is move-in ready and an exceptional value.
